PUBLIC PRO GMBH · FRANKFURTER STR 4B · D-65527 NIEDERNHAUSEN

Dear Sirs,

The next exhibition season has come to an end, and we would like to thank you for the fruitful co-operation in the field of the technical support you have been providing to our events for the last few years.

Our co-operation, which has been successfully developing since 2002, resulted in the construction of more than 12400 sqm of exhibition stands at the events, among others, in Germany, France, Spain and Russia. We especially value your capability of adapting the space from 100sqm to 1600 sqm.

Your company has proved to be a reliable, flexible and efficient partner for many years now. We very much appreciate your approach to, sometimes very complicated, issues arising at the large scale events we have been involved. In particular, we would like to thank you for the exceptional high quality of the construction of 1600 sqm of the national Thailand stand at the 2005 edition of Anuga Exhibition in Colon.

The commitment and the goodwill your employees expressed in providing solutions in the construction of both standard and unusual stands, helped Hardi to achieve a high position among our exhibitors.
